

Periu Family Dentistry Financial Policy

Thank you for choosing Periu Family Dentistry! Our goal is to provide you with the highest quality dental care while making the financial side of your treatment as simple and manageable as possible. We offer several payment options to help you feel comfortable and confident when planning your dental care.

For your convenience, we accept the following forms of payment:

- Cash
- Credit Cards
- Personal Checks
- Cherry payment plans

Payment Policy

We want to make your dental care as comfortable and stress-free as possible, including the financial side of your treatment.

Payment is due before treatment begins. If you need to discontinue treatment before it is completed, we will review your case and determine any applicable refund based on the treatment provided.

For treatment plans totaling \$500 or more, a 10% deposit is required to reserve your initial appointment. This helps us prepare for your visit and ensure time is set aside for your care.

Laboratory Fees

Some treatments, such as crowns, bridges, partials, and dentures, require custom fabrication by a dental laboratory. To proceed with fabrication, the remaining balance must be paid before your case is sent to the laboratory.

Insurances

We are happy to work with your insurance provider to help maximize your benefits and submit claims directly to your carrier on your behalf. However, you are responsible for any portion of your treatment not covered by insurance. If your insurance does not pay for a service, the outstanding balance remains your responsibility, and you may contact your insurance company directly to request reimbursement, if applicable.
